Race to the finish, but watch how wacky things get along the way! During game play, flip game board tiles over, swap them around, and even change the rules. Build it. Play it. Twice the fun.

200 Words

Flibbix by Merillian is the fun and exciting new game where you build your own board game using magnetic game board tiles, choose your own rules, and then play. It's super easy, lots of fun, and lets you build and play your game over and over again. Game board tiles are easy to connect in any layout you can imagine, so your board game looks and plays just the way you want. And tiles are double-sided, so you have nearly twice as many options—flip over a tile to quickly change how your Flibbix game plays. Flibbix cards encourage fun player interaction, and can change the game board or rules. With your own board, custom rules and choice of cards, Flibbix is new every time you play!

Race to the finish, but watch how wacky things get along the way! During game play, flip game board tiles, swap them around, and even change the rules. Flibbix: Build it. Play it. Twice the fun.
